## LOGISTICS OPERATIONS SUPERVISOR

### Our Mission:

We don't just ship boring; we specialize in the difficult, unique, unusual & impossible shipments.

Next Exit Logistics saves our customers time & frustration by fully managing expectations with our clients and carriers.

### Our Vision:

Next Exit Logistics will be the premier provider of difficult, unique, unusual & impossible shipments.

### Our Values:

Advanced Communication	Commitment	Integrity
Perseverance	Adaptable	Superior Service
Competitive	Solution Driven	
Fun	Fast	

**We are looking for a candidate who is a leader, assertive, competitive, analytical, structured and very organized.**

**To be successful in this position you must be detail oriented, deductive, able to work independently, and complete time sensitive projects in a fast-paced environment.**

Consider our **Logistics Operations Supervisor** position with Next Exit Logistics and you will be in daily contact with customers, building relationships, assessing their needs, and problem solving.

Some daily tasks include:

- Effectively negotiating and bidding rates with clients and carriers
- Sourcing carriers
- Managing online logistic information systems
- Creating and maintaining company-wide processes and gathering the data in a single location
- Booking 5 shipments a day

Additional Requirements:

- 2 or more years of Management Experience
- Degree or Equivalent Experience
- Verifiable proficiency in Microsoft Excel, Word, and Outlook
- Demonstrated ability to Learn New Software Quickly

The candidate will be required to successfully complete a background check and must have two of the three following documents that are unexpired and current: birth certificate \* passport \* driver's license

**If this describes you and you want to be a part of our team, then please apply online by clicking the link: <https://ciims.cindexinc.com/job/353413>**

**What We Do:** We don't just ship boring! We can handle whatever your shipping needs, but we specialize in the difficult, unique, unusual & impossible shipments. We have shipped nearly 5 million pounds of pumpkins, rocket launchers, aerial drones, crawler cranes, tanks, bulldozers, and fabricated metals for commercial use and for the CIA. You may not need our services, but our happiest customers have reported that we save them time and frustration.

Next Exit Logistics is located in a professional building in Desoto, Texas 12 minutes from downtown Dallas, Texas. Over the past 7 years, we have continued to develop and maintain strong relationships with customers and carriers across North America.
